

# Winton Wetlands

## Executive Officer

The restoration of the Winton Wetlands will be a project of international environmental and cultural significance and is one of the most significant projects of its kind in Victorian history.

**The Winton Wetlands Committee of Management are overseeing the \$20 million restoration of Lake Mokoan to wetlands and are looking for a highly capable and passionate Executive Officer to drive this unique, exciting and high profile project.**

Reporting to the Committee of Management, this executive role will be a dynamic and challenging blend of project planning and delivery, stakeholder engagement and creation of alliances and opportunities. Knowledge of wetland restoration and tourism development with experience in environment and land management is critical. You will also have the ability to ensure strong operational performance while sourcing opportunities and implementing the project strategy.

Confidential enquiries to Fiona McAllister on 03 9417 5567 or go to [www.lakemokoan.com.au](http://www.lakemokoan.com.au) for more information.

Applications by 5pm 28th October to [ceo@fmconsult.com.au](mailto:ceo@fmconsult.com.au) or fmconsult, PO Box 1488, Collingwood VIC 3066.
